Question as to the Financial situation of the Society taken up by the Treasurer and fully discussed, the Treasurer authorized, if the United Charities do not allow the rebate the Society has had since 1890 (or 1891), to take the rooms on their own terms for one year. #### *Report of the Monument Committee.*

The Chairman of the Monument Committee has the honor to report that it has been decided not to attempt placing a monument on the spot first designated. Two members of the Committee sent at their own expense Mr. Hrdlicka of the Smithsonian Institute to excavate and examine closely all skeletons found there. He reported that these were Indian skeletons. It was proposed to the Committee that, as there is absolutely no doubt as to the spot where Fort Caroline stood, that the Society could safely place a monument there. During the coming summer

experts and engineers will examine carefully to find the remains of the breast works of the old Fort. The matter of erecting a monument was at the last Annual Meeting left to the option of the Committee. With the sanction of the Executive Committee, the Society will then be called upon for contributions.

Respectfully submitted.

Mrs. JAMES M. LAWTON, Chairman.

### *Report of the House Committee*

During the winter, four TEAS were held at the rooms of the Huguenot Society of America. The first three Teas owing to their being held at a very gay season were not as well attended as we might wish, but were very enjoyable. At the fourth, the room was well filled by both members and their friends and we trust that much more interest will be shown next year.

Mrs. E. L. DE P. CLARKSON, Chairman.

These Reports were accepted and ordered placed on the Minutes.

### *Other Business.*

On recommendation of the Executive Committee and on motion of Mr. Banta, seconded by Mr. Alden Freeman, Mr. Stanley Weyman was elected as Honorary Member of the Huguenot Society of America.

Election of the Officers now in order. The ballot approved by the Executive Committee was submitted and, on motion of Mr. Marschalk, the Secretary was requested to cast the ballot, She declined as she was one of the Officers to be balloted for. On motion, Mr. William Mitchell cast one ballot and the Officers on same were declared unanimously elected.

With the authorization of Mr. A. G. Browning, Mrs. Lawton read extracts from a paper written by Mr. A. G. Browning and entitled: "A Peaceful Invasion of England by the Huguenots in 1675." As this Volume is in the Library, it was not deemed necessary to have the extracts printed.

The Speakers at the Banquet of the Society, given at Delmonico's on April 15th, 1907, were:

1st. Hon. Seth Low, who delivered a most able address on "Our City and the Huguenot Founders."

2nd. Hon. John Van Wormer: "Union of the Dutch and French."

3rd. Rev Donald S. MacKey, whose historical and interesting dissertation on the "Huguenot and the Covenanter," met with great applause.

4th. Col. Howland Pell, who was most happy in his reply to the Toast of "Our Guests."

The Choir boys of Grace Church, under the direction of Mr. Helfenstein, volunteered their services on the occasion, and gave most delightful music.

The Guests were the Presidents of the Societies antedating the Huguenot Society.

The following Poem was read by the author: Rev. Edward O. Flagg, member of the Society:

## The Huguenot

My song—the Huguenot!  
A soul of souls was he,  
Opposed to every plot  
At war with Liberty.

His courage never failed,  
'Gainst sword and flame 'twas steeled,  
In conscience armor mailed  
He caused their threats to yield.

An exile from his home,  
Through persecution's rod,  
Whene'er compelled to roam,  
He ne'er forsook his God.

Wherever he was driven  
More sweet the flowers bloomed,  
The gentle dew of Heaven  
The dreariest waste illumed.

Behold fresh enterprise,  
The golden harvest hour,  
Toil cheered by fairer skies,  
A simpler life, more power.

Each iron code relaxed,  
Self-government the rule,  
Far less man's earnings taxed,  
The Bible in the school.

Within our nation's heart  
Lies deep enfolded he  
Who caused such fruits to start  
On land and on the sea.

Hence ne'er should be forgot  
But often brought to view  
The sturdy Huguenot,  
To home and altar true.

And let "noblesse oblige"  
Each thought and action sway,  
Whose vantage ground no siege  
Could ever drive away.

Exotics widely grow  
Our union to enhance,  
Most graceful 'mid the glow  
The fleur-de-lis of France.

*Meeting of the Monument Committee, May 17th, 1907.*

A Meeting of the Monument Committee was held after the Meeting of the Stewards on May 17, 1907. Letters from Dr. Webb to Mr. Merrill, Secretary of the Committee, and from Mr. Rieman Duval were read. The investigations were not satisfactory in regard to the site of the Massacre at Matanzas Inlet. General Brooke who spends his winters at St. Augustine, Fla. thinks there is no doubt that the Huguenots landed on the Southern end of Anastasia Island. He mentioned an Army Engineer Officer, Mr. Lewis R. Mc Lean of St. Augustine, who would doubtless accompany whoever goes from here to Fort Caroline, and examine also the Southern part of Anastasia Island. After much discussion, it was thought best that Fort Caroline be marked with a tablet, and that the Monument be erected on the site of the Massacre at Matanzas Inlet. Resolved that no action be taken until careful personal investigation be made on the spot by the Chairman and some other Member of the Committee to share the responsibility with her.

*Report of the Monument Committee*

Owing to the very depressed and depressing state of the Market, it was considered unadvisable to formulate any plans or to ask for any donations towards the Fund.

It has however been nearly decided by your Committee to have the Monument erected on the site of Fort Caroline at the mouth of the St. John's River, instead of on Matanzas Inlet. The site of the former seems to be well known, and is marked on all Maps.

We had so many deaths during the past year that we need every dollar we can get. One Lady sent us unasked a donation of \$10 towards our running expenses. It was most thankfully received. It would be most gratifying if others would follow her example.

*Report of the House Committee*

The Chairman of the House Committee begs to report that three teas were given during the winter at the Society's rooms. The January and February teas were not as well attended as could be wished, but the last was a great success and most enjoyable. It is hoped and expected that, as the teas become more generally known to the Society, the Members will take more interest in the social reunions.

Respectfully submitted.

Mr. Lester, Vice-President for New Rochelle, told the Committee of the very interesting work being done by the Huguenot Association of New Rochelle, and asked their co-operation towards the purchase of the house at New Rochelle which they have chosen for their headquarters and as a Museum for Huguenot relics.

*Executive Committee Meeting, November 10th, 1908.*

Treasurer's report accepted.

The Secretary reported the deaths of three Members: Mr. Lewis S. Dabney, Mrs. Henry C. Stimson and Mr. James D. Hague.

Mr. Samuel R. Thayer represented the Society on the occasion of the receiving of the body of Governor Clinton, May 28th.

The Society was not represented on the 250th anniversary celebration at Kingston.

Several Members of the Society were present at the unveiling of the Bronze Tablet presented to the City of New Rochelle by the Huguenot Association. Dr. Darlington who was to have been the Representative of the Society, missed his train and Dr. Flagg gave a most excellent address.

ENTERTAINMENT FOR THE NEW YORK SOCIETY OF  
AMERICAN HUGUENOTS BY THE HUGUENOT  
SOCIETY OF NEW ROCHELLE.

The members of the Huguenot Society of America received an invitation from the Huguenot Society of New Rochelle to visit their City. The object of such invitation was to attend the ceremony of unveiling a monument with the inscription of the names of those Huguenot refugees who were the earliest settlers of the above City giving it its name. The Mayor of New Rochelle unveiling the memorial delivered an appropriate address. The Rev. Charles F. Canedy, D.D., presided, offered a prayer, made an address, and extended a cordial welcome to the invited guests. An historical paper was read by Thos. S. Drake, Esq. Dr. Darlington, President of the Board of Health, in New York, and the appointed representative of the New York delegation having missed his train, the Rev. Dr. Edward O. Flagg, a member of the Executive Committee, was requested to take his place.

Responding to this request the following sentiments were a portion of his remarks. He stated how pleased the authorities of our country

are to give the right hand of fellowship to the immigrants of every name and nation who with honorable intentions might seek a home within our free and vast domain. He spoke of the Huguenot Society as a silent protest against any infringement upon our constitutional rights either in Church or State. Defensively and not aggressively did he exalt American citizenship defining its incomparable mission and its great responsibility.

A very toothsome and ample repast was then appreciatingly enjoyed by keen appetites.

Thanks were voted for the generous hospitality of the entertainers.

The collation was supplemented by a delightful sail upon the Sound. After the conclusion of so unique a reception all retired to their respective abodes. It is needless to assume that each felt still more proud of the Organization to which he or she belonged and perchance breathed a secret prayer, that our national motto, "He that brought us over will sustain us" might in its fullest sense be verified and justified.

Respectfully submitted,

EDWARD OCTAVUS FLAGG.

This report was accepted.

Mr. Mirabel has given a very interesting account of the proceedings which unfortunately space does not permit of copying. By request, the letter of the Secretary to Mr. Lester is appended:

Mr. HENRY M. LESTER

*President Huguenot Association of New Rochelle*

Dear Mr. President:

I wish to tender to you personally and to the other Members of your Association my hearty congratulations, as Secretary of the Huguenot Society of America, on the work you have brought through many difficulties to a triumphant finish. You have rescued from oblivion many names of those whose records do not appear on this World's Book of Fame, but who, losing their all for conscience sake, have their names inscribed above. You have thus contributed a most beautiful page to History, and this your Labor of Love, is all the more praiseworthy in as much as some of you are not of Huguenot descent. The Huguenot Society of America is glad to have contributed her quota of names to your Tablet, and is very proud of her Foster Daughter. Dr. Darlington whose ancestor's name appears on the Roll of Honor is the official representative of the Society, and will address you on the occasion.

Sincerely yours,

E. M. C. A. LAWTON

Secretary Huguenot Society of America.

At the unveiling of the Boulder Monument by the Huguenot Patentee Historical and Memorial Society of New Paltz to the the twelve Patentees, on September 29th. Judge Clearwater represented our Society and made an address.

Kingston, N. Y., Oct. 19th, 1908

My Dear Mrs. Lawton:

In compliance with your request I enclose a concise report of the proceedings at the unveiling of the bowlder monument at New Paltz on the 29th ultimo. Profoundly to my regret we did not have the pleasure of your company. The occasion was a most interesting one, and the setting artistic and beautiful. In fact the whole scene filled the eye and satisfied the mind.

With many kind regards, I am as ever,

Very sincerely yours,

A. T. CLEARWATER.

Tuesday the 29th of September was a red letter day in the old Huguenot Village of New Paltz for it was the occasion when the bowlder monument erected by the Huguenot Patriotic Historical and Memorial Society of New Paltz to the twelve patentees to whom Governor Edmond Andros granted the Paltz Patent on the 29th day of September, 1677, was unveiled. The monument consists of two bowlders of Shawangunk Mountain Grit one of which is the base, the other the shaft. It is placed in the triangular space directly in front of the Memorial House. The ceremonies took place on the lawn of Abram Deyo Broadhead immediately opposite. The countryside for miles around gathered at New Paltz, and the day was faultless. Seats were arranged in the form of an amphitheatre and Mr. Broadhead's porte-cochère was used as a platform for the speakers who were Ralph LeFevre, President of the New Paltz Society, Judge Frank Hasbrouck, of Poughkeepsie, formerly President of the Holland Society and Judge A. T. Clearwater of Kingston, one of the Vice-Presidents of the Huguenot Society of America and a member of the Board of Trustees of the Huguenot Society of New Paltz and a life member of the Board of Trustees of the Huguenot Society of South Carolina. A notable coincidence was the fact that Mr. Broadhead's house was built in the year 1680 by Christian Deyo and Pierre Deyo, Huguenot ancestors of Judge Clearwater who delivered the address. Let into the shaft of the monument is a bronze tablet cast by the Gorham Company which contains the following inscription:—

TO THE  
MEMORY AND IN HONOR OF

Louis DeBois ·  
Christian Deyo  
Abraham Hasbrouck ·  
Andre LeFevre ·  
Jean Hasbrouck  
Pierre Deyo  
Louis Bevier  
Antoine Crespel  
Abraham DuBois  
Hugo Frere  
Isaac DuBois  
Simon LeFevre

The New Paltz patentees, who, driven by religious persecution from their native France, exiles for conscience's sake, came to America, after a sojourn in the Rhine Palatinate, near Manheim, here established their homes on the banks of the Wallkill, settled the country purchased from the Indians and granted by patent issued by Governor Edmond Andros on the 29th day of September, 1677, and nobly bore their part in the creation of our free government.

Having been pronounced correct, these candidates were declared duly elected. Four supplemental claims were presented, three of which were accepted. The fourth not yet verified as Huguenot. Four names were presented, and the pedigrees being pronounced correct by the Pedigree Committee, the Candidates were declared duly elected.

A letter read from Mr. Lester asking subscriptions for the purchase and improvement of the Huguenot Headquarters at New Rochelle. The Secretary requested to write Mr. Lester that, much to the regret of the Committee, it will be impossible, owing to the present finances of the Society, to aid them in their work.

He says that in his opinion there is on the Continent but one Huguenot Society which, like the London Society, has mapped out its work to search History and to rescue from oblivion all traces left by the Huguenot Refugees.—This is the German Society — President. Monsieur Charles Correvon. The Commission de l'Histoire et de la Bibliothèque Wallonnes, whose President is Pastor E. Bourlier, may also lay claim to the title of Huguenot Society.

The Société d'Histoire Vaudoise collects everything concerning the history of those Vaudois, who were in reality French, but who are now half Italian. The President is Monsieur Paolo Longo.

The last Society founded is La Société d'Histoire du Protestantisme Belge.

Mr. Giuseppi, Assistant Secretary of the London Society, says that their Society has had its three ordinary Meetings at which three papers have been read. The other part of the Society's work has been devoted to its publications.

(*Note by Mrs. Lawton.*—These Publications are paid for by individual Members of the Council.) The Publications of 1908 were: 1. The Registers of the French Church of Portarlinton, Ireland, edited by Thomas Philip Le Fanu, and 2. Returns of Aliens Dwelling in the City and Suburbs of London, (Index) edited by R. E. G. Kirk and Ernest F. Kirk.

Monsieur Charles Correvon, President of the German Huguenot Society, expressed himself as very much touched by his election as Honorary Member of the American Society, and will do all in his power to merit the honor. He says that the German Society has not been very active during late years, but hopes, after a reorganization, to be better able to maintain and develop its publications.

Monsieur Paolo Longo, President of the Vaudois Society, says that he has been President of the Société d'Histoire Vaudoise for nine years and that during that time they have been very actively engaged.

Rev. Robert Wilson, President of the Huguenot Society of South Carolina says that they have over 300 members, not a third of whom are residents there, and the Society meets only on the Anniversary, all the work in the interval being done by the Executive Committee, which being interpreted means the President.

Mr. Henry M. Lester, President of New Rochelle Huguenot Association says that the early part of 1908 was taken up with gathering statistics and historical matter connected with securing the list of Huguenot names which were incorporated on the bronze tablet that was erected on the Huguenot Monument at Hudson Park.

Since that time, the Association has taken on considerable activity, the lines of work having been largely broadened out. The Association has acquired by contract a plot of ground on North Avenue upon which they have placed the old Huguenot house formerly occupied by the De Veaux Family and later by Thomas Paine, which they have had repaired for the purpose of having it made into a museum, using it as the headquarters of the Association and fitting it up with the relics, furniture and other interesting things in connection with the history of the town.

Mr. Ralph Le Fèvre, President of New Paltz Historical Society, says that he can report considerable progress in one line and another during the past year. The museum of relics and antiques in their Huguenot Memorial House is slowly increasing. Their monument with tablet containing the names of the twelve Huguenot Patentees was unveiled Sept. 29. It is perhaps as fine a boulder monument as there is in the Country. The Society has made some progress in the translation of old French documents, which have been saved in old collections at New Paltz.

Mrs. E. L. de P. CLARKSON, Chairman.

On motion all these reports were accepted.

Election of Officers being in order, the Officers on the Ballot chosen by the Nominating Committee, and approved by the Executive Committee, were declared duly elected. The Secretary, in thanking the Society for her re-election, asked that her resignation be accepted, and that some one else be appointed who could devote more time to the duties of the Office. Her resignation was not accepted, and a vote of appreciative thanks for her work was voiced by the Presiding Officer. A Resolution of thanks to Mr. Mirabel, the Assistant Secretary, was passed.

## Ceremony of the Loving Cup

(Copied from that in use in the French Hospital in London.)

PRESIDENT

MR. STEWARD, what bring you here?

STEWARD

Two Loving Cups, prepared by the SECRETARY'S direction.

PRESIDENT

MADAME SECRETARY, what do these Cups Contain?

SECRETARY

The choicest WINE of France commemorating our Huguenot Ancestors, FORTIFIED with SPIRIT, the SPIRIT of admiration for their faith and courage, and SWEETENED by SYMPATHY with the poor and aged among their Descendants. It is left, Sir, for you to add the CORDIAL, a cordial WELCOME, to the guests assembled at our tables.

PRESIDENT

Gentlemen and Ladies, I invite you to drink with us to "The Memory of our Huguenot Ancestors," and I offer you a warm welcome to this table from their descendants, members of the Huguenot Society of America.

## Hymn 177

O King of saints, we give Thee praise and glory  
 For the bright cloud of witnesses unseen,  
 Whose names shine forth like stars, in sacred story,  
 Guiding our steps to realms of light serene.

Thine arm sustained them all in conflict mortal  
 With sin, the world, and all the powers of hell;  
 Thy hand hath oped for all, the shining portal  
 To realms where peace and joy forever dwell.

After the Guests were seated, the Secretary rose.

MR. PRESIDENT, I have just received a wireless saying that a very strange looking craft is fast approaching our harbor. Frightened no doubt, by the sight of savages lining our shores, the crew will be afraid to land. Will you allow them to enter our harbor on the flood tide of loyalty and enthusiasm and cast anchor?

### Presiding Officer

If it be not the flag-ship of an invading force you may signal them to enter.

*Enter the "Halve Maan" borne by shrouded figures.*

### SONG OF THE "HALF MOON'S SAILORS."

By REV. MELVILLE K. BAILEY

*Air: Dutch National Anthem.*

Yo ho! Yo ho! the land appears,  
Now loose the straining sails.  
Now fade away our doubts and fears,  
As twilight gloaming fails.  
Our good ship o'er the ocean wide  
Has left her wake of foam,  
Now still at anchor let her ride,  
Safe in her Western home,  
Safe in her Western home!

We leave behind the Holly-Land  
That braves the wild North Sea,  
And that where Gallic châteaux stand  
On many a sunny lea;  
And Albion's silver cliffs we leave,  
Wind-borne no more we roam;  
Nor for the ancient manors grieve,  
Safe in our Western home,  
Safe in our Western Home!

Yet where fame's clarion trumpets blow,  
Shall sound the honored names  
Of lofty-hearted Huguenot,  
Of mild-eyed Holland dames;  
And Hudson's name indelibly  
We'll write in script of foam  
On waters running to the sea  
By this our island home,  
By this our island home!

And here a city shall arise  
Beside this queenly bay,  
And gaze with proud, imperial eyes  
At Europe far away;  
Her heart the heart of all the lands  
Whose restless millions roam,  
And to her service give their hands,  
Safe in their Western home,  
Safe in their Western home!

Yo ho! yo ho! the land appears,  
The New World's voices call.  
Now fade away our doubts and fears,  
And let the anchor fall!  
Our good ship o'er the ocean wide  
Has left her track of foam.  
Now in the harbor let her ride,  
By this proud island home,  
By this fair island home!

MR. PRESIDENT, we are being hypnotized. This is no vessel. It is the "Wraith of the Half Moon" projecting her shadow through the vista of the ages. She comes to us some months in advance of her three-hundredth anniversary, to acknowledge the debt that ancient tradition declares she owes to Huguenots in England, in that they contributed so generously to that noble venture which was to reveal to Europe America's most beautiful river and queenly bay, on whose fair shores the name of many a Huguenot should be indelibly inscribed.

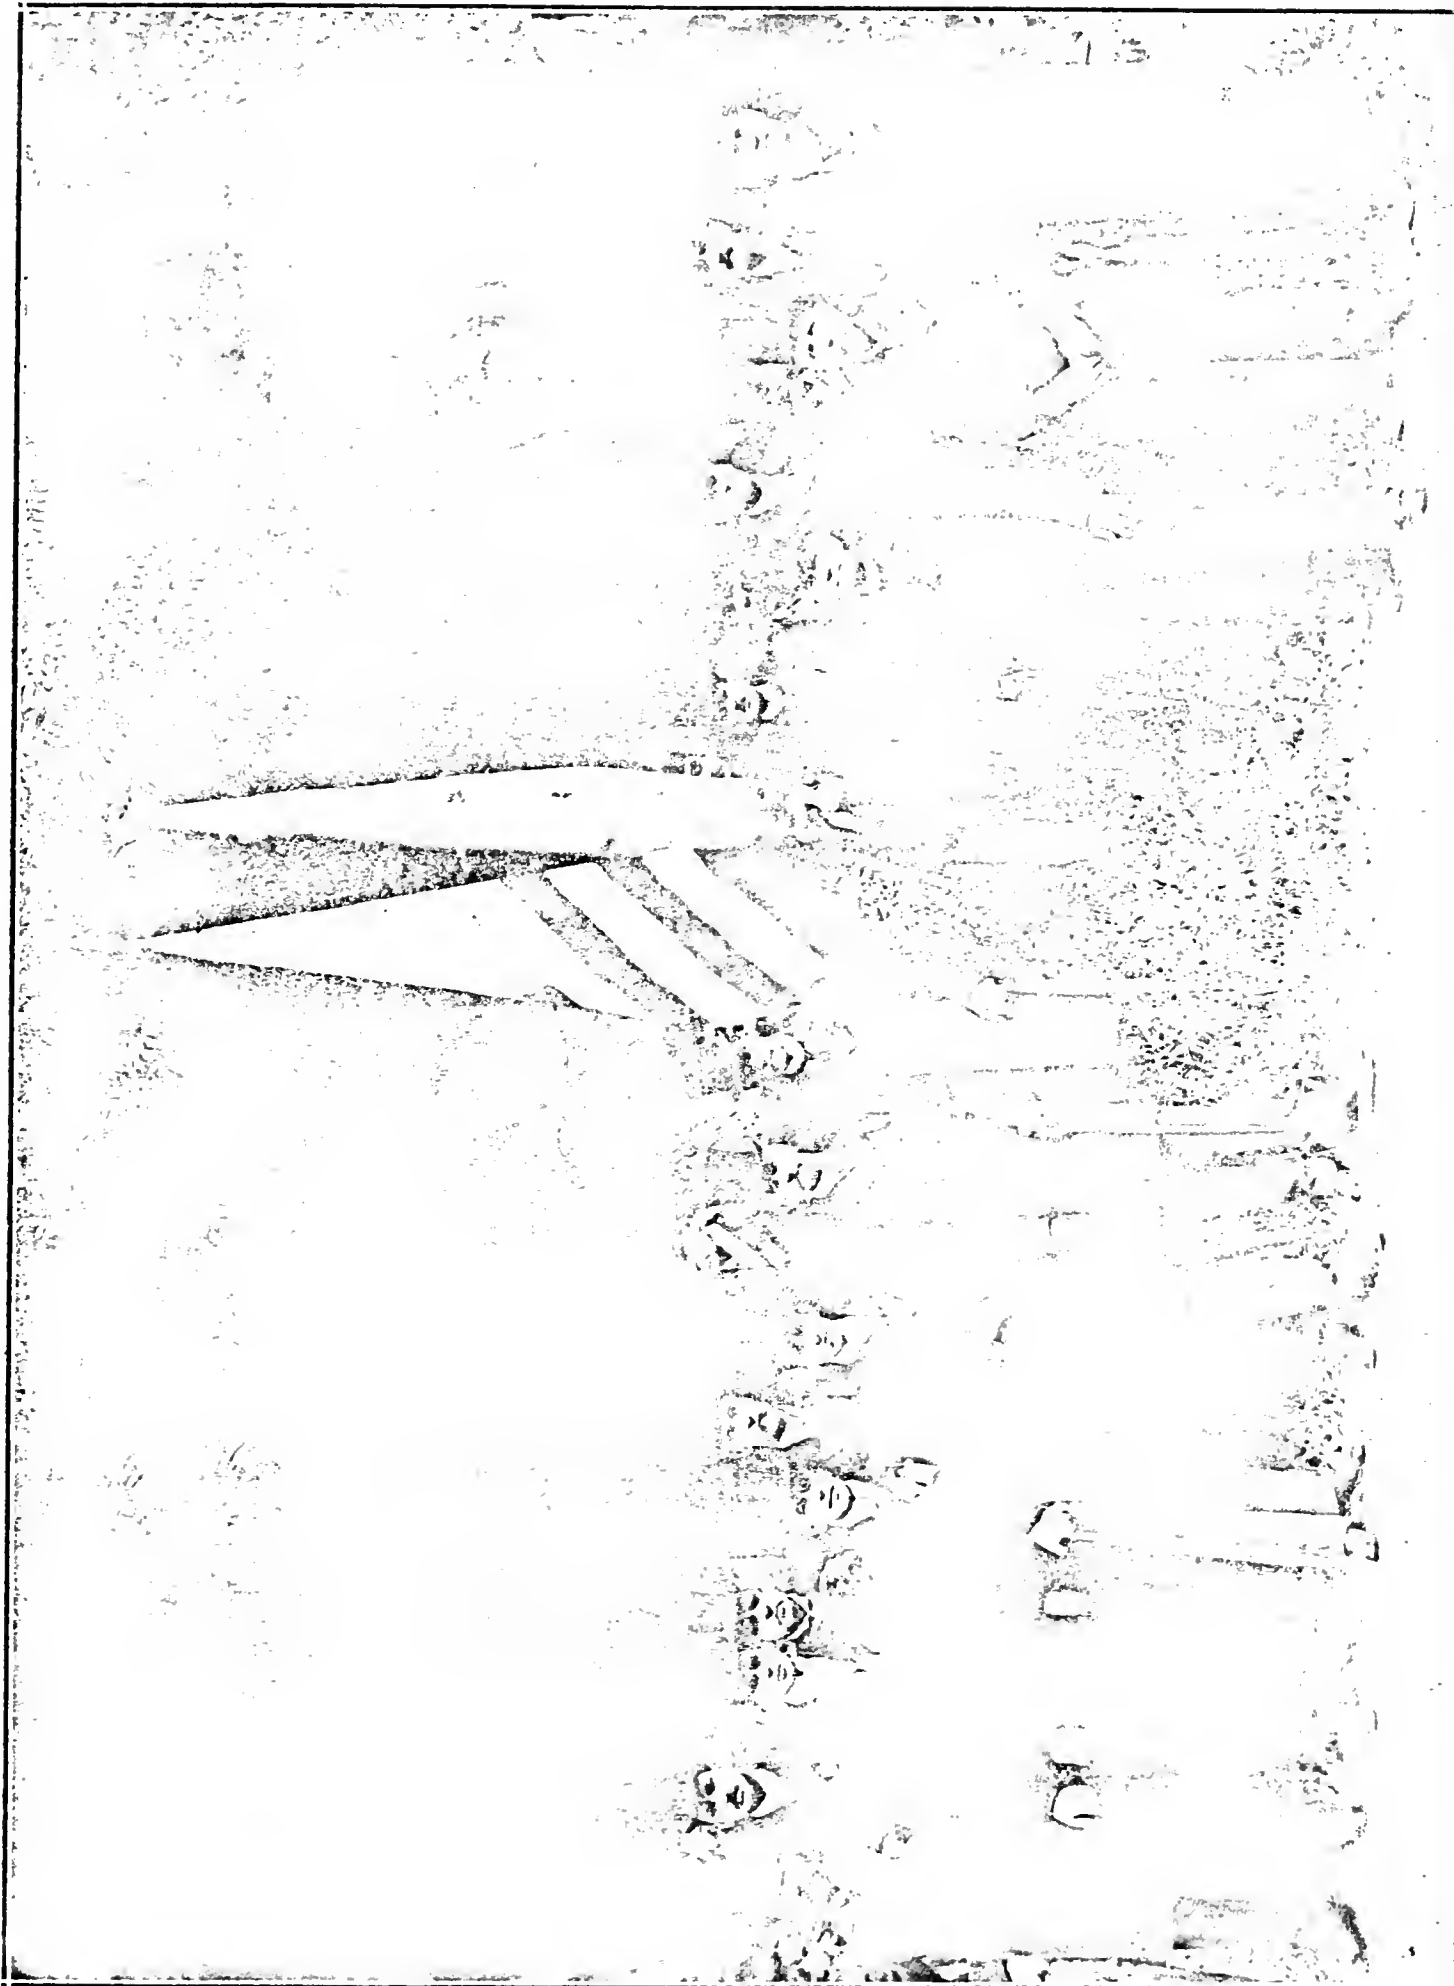

BANQUET HUGUENOT SOCIETY of AMERICA April 20th 1909.

*Report of the Chairman of the Hudson-Fulton Celebration.*

The Hudson-Fulton Commission having invited the Huguenot Society of America, in conjunction with certain other patriotic Societies of New York, to participate in the Historical Parade of September 28th, 1909, the Executive Committee accepted the invitation and appointed Mr. William Dalliba Dutton, Chairman of a Committee to be selected by him. Mr Dutton named as his associates Messrs T. J. Oakley Rhineland, Cornelius B. Mitchell, William Mitchell, Woolsey McA. Johnson, Henry M. Lester and Dr. Thomas Darlington.

As the Hudson-Fulton Commission desired the Society to man and escort a float to represent some event of Huguenot history connected with the State of New York, the Committee suggested the episode of the transferring of titles of land at New Rochelle, to Huguenot settlers, by Governor Jacob Leisler, in 1690, and the idea was accepted and put into execution by the Commission. Invitations to act as members of a Guard of Honor to the float were sent out by the Committee to all the men members of the Society, followed by frequent notices describing the intended celebration and giving information relating to it. About thirty members responded affirmatively to the call. Through the efforts of Mr. Henry M. Lester, President of the Huguenot Association of New Rochelle, and also a Member of the Committee, fourteen ladies and gentlemen of that association volunteered to man the float, thus giving a peculiar appropriateness to the event depicted. The assistance of these members of the New Rochelle organization was gracefully tendered and most effectively rendered and was thoroughly appreciated by the Huguenot Society of America.

The Colonial Wars of the State of New York very kindly placed at the disposal of our Members three hundred seats at cost price on their stand.

All the arrangements were successfully carried out. On the morning of September 28th, those gentlemen who were to act as the Guard of Honor met at the library of the Society where they were most agreeably surprised to see the Secretary, Mrs. Lawton, who, before they began their march, served them with refreshments, sent through the generosity of Mr. Rhineland. At the time arranged, the Guard of Honor repaired to 110th, Street and Central Park West, from where the Parade was to start, and there took its proper position following the Huguenot Float. Throughout the long line of march much enthusiasm was shown by the public in frequent applause for the float, those who were upon it and for the Guard of Honor.

Each participant in the Parade felt, later, a genuine satisfaction in having honored the Huguenots who, according to accepted tradition, accompanied Hudson on his voyage of discovery—one which added a new and glorious page to their history.

Respectfully submitted

WILLIAM DALLIBA DUTTON,  
Chairman.
